Home Study Program **2018-2019**

The Home Study Program blends the benefits of home schooling with the advantages of being part of a Christian school. Liberty works with each family individually to chart an educational program that best fits the needs of the home and child. This is accomplished through support, training, encouragement and accountability. Families can choose the options that best suit their educational needs.

- Classes begin on Tuesday, September 4, 2018
- LCS and parents design a course of study to meet each student's needs and abilities
- LCS provides monthly consultations
- LCS provides student and teacher books
